#### **Message from Mahmoud Lamadanie - Vice President for f International Affairs**

---

**Dear International Student:**

Greetings from the Mississippi-USA:

I am the Vice President for International Affairs; I would like to say thank you once more for applying to Rust College. I am your partner to success in the USA! Your resume starts today with me. My former students are now professors and high-level executives from Japan to Morocco & from Timbuktu to Kathmandu, all around the world! You are my next assignment to invest in your education so that you can be one like them!!

One of my students, for example, is currently serving his country as an ambassador in Europe!

Yesterday's international students are tomorrow's foreign leaders! Students and their families come to visit me even after 10 years after graduation. You may wonder why? I will tell you in my next seminar in your country!

I will assign you a personal international admissions case officer to follow up your application to a successful conclusion. This campus designated officer will serve as an F-1 Visa advisor Advisor to help you throughout the entire admissions process. The international advisor will be processing your application, and S/he will inform you of the missing documents that you need to submit to us soon in order to complete your application.

**The checked item(s) are the document(s) that we will be waiting for you to send to our office.** Please note that admission at Rust College, Holly Springs is competitive and limited!

We admit students on a rolling basis on a first come, first served basis until all seats are filled.

Early applications get priority consideration. We can make a decision only after we receive all the required documents, including the application fee. OIE does not accept any scans, photocopies, or faxes. In order to meet the standards, set by the United States Citizenship and Immigration Services (USCIS), you must provide official documents to prove that you have enough money to pay for your education. Scanned copies can be used only for initial review, but official admissions decision require certified copies.

Please feel free to contact me if you have any questions or concerns!

On behalf of the President Dixon, I look forward to welcoming you to Rust College! Thank you.

A handwritten signature in black ink that reads "Mahmoud Lamadanie".

**Vice President for International Affairs**
